TACTICAL SECURITY/SAFETY TECHNIQUES ENTERPRISES, INC. FACT SHEET

DESCRIPTION: Tactical Security/Safety Techniques Enterprises, Inc. (T.S.T. Enterprises, Inc.) is a New York State duly licensed and insured Watch, Guard and Patrol Security Agency. It also has the President and several Security Guards that are TWIC accredited. The company has served and protected several reputable industries, corporations and individuals over the years. We take pride in providing high level threat protective security services for individuals, independent businesses, transportation escorts of property, venues, residents, meetings, and special events / occasions.

GOALS: T.S.T. Enterprises, Inc. intends to fulfill the following goals:

- **SAFETY**— Dedication to protecting life and property.
- **SECURITY**— Devotion to maintaining a secure atmosphere.
- **PREPARATION**— Provide others with the tools, resources, skills, knowledge, experience, and training in the areas of self-defense and use of force. All personnel are certified in CPR, AED, and Basic First Aid.
- **PROFESSIONALISM**— All of the T.S.T. Enterprises, Inc. employees consist of retired Law Enforcement Personnel, Military Personnel, or Security Guards that have their NYS Certifications on file with NYS Department of Licensing Services. The company can also provide both armed and unarmed security guards.
- **LONGEVITY**— Dedication to creating and maintaining relationships with clients to ensure protection of life and property before an issue arises. The entire company lives by the ideal of being proactive, prior to be reactive.
- **RESULTS**— T.S.T. Enterprises, Inc. does not only strive to produce results; it ensures that it will get the job done in an effective and professional manner to facilitate the enhancement of safety and security for all.

YEAR FOUNDED: T.S.T. Enterprises, Inc. was founded in 1994 and since its creation served numerous clientele helping to protect both life and property and continues professional relationships with its current clients.

SERVICES: T.S.T. Enterprises, Inc. offers numerous closely related and well-integrated services and consulting in the following safety and security areas:

- Personal / Executive Protective Services

- Security and Safety Assessments
- Personal Protection Training and Self Defense

PRESIDENT: William J. Sleight III is the President of the company. William has a Bachelor of Science in Criminal Justice with a minor in Psychiatric Social Work from Marist College, Poughkeepsie, New York. He has over twenty years experience working in law enforcement for the City of Poughkeepsie Police Department, retiring as a Senior Detective. He was the President of the State of New York Police Juvenile Officers Association, Inc. in 2003. He is also recognized as a Juvenile Specialist in the State of New York.

He was a New York State Division of Criminal Justice Services (NYSDCJS) master instructor and evaluator. His company was a certified Security Guard Training School under NYSDCJS for 22 years, offering training and services combined with over 35 years of experience, skills, and knowledge.

William has testified in the New York State Supreme Court as an expert witness in the use of force and aspects of security. He is one of a few in New York State with the appropriate credentials to appear as an expert witness in the NYS Supreme Court.

Most recently Tactical Security/Safety Techniques Enterprises, Inc. was accepted as a member of the Dutchess County Regional Chamber of Commerce in January 2012. He believes in local business working with local businesses and strives to create relationships with professional businesses in New York State to further this belief. Why pay some out of state company that does not have NYS safety and security as its core interest? Tactical Security/Safety Techniques Enterprises, Inc. and William ensure this.
